Areas/Venue: Selected Senior High Schools within Sultan Kudarat and South Cotabato

Duration: 3 days

Covering Date: April 1, 4 & 5, 2024

Source of Fund: Fund 164 – curriculum dev

Budget: Php 32,100.00

II. RATIONALE

The main purpose of education is to maximize the individual's development and participation in the economic and social processes of the larger society. Thus, it cannot do without beginning with the individual who is the target of the educative efforts and providing him/her with the program that meets his/her needs. This includes the preparation in the areas of career development and decision-making such as the inclusion of the K-12 program of the Department of Education. Career Guidance Program is designed to help learners explore their choices and make responsible decisions relevant to their career pathing.

These include aligning for their track and strand for Senior High School, choosing their curriculum exits (Higher Education, Employment, Entrepreneurship, and Middle-Level Skills Development), and planning for their future.

Thus, SKSU specifically the College of Industrial Technology will conduct an information drive to feeder schools to update students on the new trends in career development and increase their awareness of the courses offered by SKSU in the two programs of Industrial Technology, BVTED and BSIT. SKSU on the other hand will have the opportunity to entice excellent students to enroll.

III. OBJECTIVES

1. To inform the feeder schools and prospective enrollees about the Vision, Mission, Goals and Objectives of the University, Course Offerings, performance in the Board Exams, admission Tests, Admission Requirements, and Best Practices of the University.
2. To inform the community regarding the policy on affirmative action of the program of the University for Indigenous people of Sultan Kudarat.
3. To encourage students to be part of SKSU.

IV. METHODOLOGY

The career guidance information drive will be spearheaded by the guidance and testing center with the support of the College of Industrial Technology administration and Senior High Schools for the success of the said activity. The dean, program chairpersons, major faculty members, and selected students are assigned to conduct career guidance information drives and distribution of bulletins of information in different schools within the province of Sultan Kudarat and South Cotabato.

In the conduct of the activity adherence to the health protocol of the University will be observed like wearing face masks, using alcohol or handwashing, having a limited number of persons in the vehicle, disinfection of vehicle after travel, and social distancing in doing transactions to every school.

V. EXPECTED OUTPUT

1. More than half of the population of the Grade 12 students reached by this career information drive will take the SKSU TPT.
2. The Grade 12 students will be well-informed about SKSU's Programs, Vision, Mission, Goals, Objectives Admission Policies, and other relevant information about the University.
