

TRAINING DESIGN

MASONRY LITERACY TRAINING OF THE BENEFICIARIES OF BARANGAY KALAWAG II, ISULAN, SULTAN KUDARAT

Agency : SULTAN KUDARAT STATE UNIVERSITY- ISULAN CAMPUS
College of Engineering
Isulan Campus, Isulan, Sultan Kudarat.

In Partnership with: LGU BARANGAY KALAWAG II, ISULAN, SULTAN KUDARAT

Rationale:

One of the Adopted Barangay of SKSU-Isulan Campus is Brgy. Kalawag II, Isulan, Sultan Kudarat. The team of personnel from SKSU had conducted the planning and training needs assessment survey that determines the prioritized needs that can be extended by the campus to the adopted barangay and it was found out that the Brgy. Kalawag II, Isulan, Sultan Kudarat also need Masonry for them to have an additional knowledge and increase their lifestyle. With this, the proponents formulated the training design to conduct a training-seminar and workshop to the recipients.

Objectives

The proposed training aims to:

1. Conduct a Masonry Literacy Training to the residence of Brgy. Kalawag II, Isulan, Sultan Kudarat.
2. Impart the expertise of the trainers/resource person to the beneficiaries of the training.
3. Provide the beneficiaries an idea to have their other source of income.
4. Contribute an indication to the barangay officials to have an additional income generating project in their barangay.

Coverage and Duration

The proposal covers the residence of Brgy. Kalawag II, Isulan, Sultan Kudarat. The persons involved are SKSU Campus Administrators, Proponents, Trainers, Barangay Kalawag II Officers and Barangay Kalawag II beneficiaries.

Table below show the duration of the activities to be conducted.

Activity	Learning Approach	Timeline
1. Introduction on how to make Concrete hollow blocks.	- Lecture/Discussion - Demonstration - Workshop	June 11-12, 2017 8:00 am-5:00pm
2. Estimating the masonry works	- Lecture/Discussion - Demonstration and Workshop	June 11-12, 2017 8:00 am-5:00pm
3. Laying of concrete hollow blocks	- Lecture/Discussion - Demonstration and Workshop	June 18, 2017 8:00 am-5:00pm
4. Plastering of masonry works	- Lecture/Discussion - Demonstration and Workshop	June 18, 2017 8:00 am-5:00am
5. Backfilling	- Demonstration and Workshop	June 25, 2017 8:00 am-5:00am

Budgetary Requirements

Table below shows the activities and the budgetary requirements.

Activity	Materials Services Needed	Amount	Total Budget	Source of Funds	
				SKSU	LGU Brgy. Kalawag II
1. Introduction on how to make Concrete hollow blocks.	- factsheets(1 rm. Long size bond paper)	200.00	16, 440.00		200.00
	- photocopy of factsheets	200.00			200.00
	- 2 loads of sand	3, 000.00		1, 500.00	
	- 10 bags cement	2, 800.00		1, 400.00	1, 500.00
	- 8 pcs shovel	4, 000.00		1, 500.00	1, 400.00
	- 2 pcs. moulder	5, 500.00		3, 500.00	2, 500.00
	- 6 pcs. pail	400.00		250.00	2, 000.00
	- 4 pcs. Cup	100.00			150.00
	- 2 pcs sprinkler	240.00			100.00
					240.00
2. Estimating the masonry works	- paper and pen	300.00	570.00	150.00	300.00
	- calculator	150.00			
	- 2 pcs steel tape	120.00			120.00
	- steak				
3. Laying of concrete hollow blocks	- 2 loads sand	2, 800.00	5, 800.00	1, 400.00	1, 400.00
	- 10 bags cement	2, 800.00		1, 400.00	1, 400.00
	- shovel				
	- pail				
	- cup				
	- 1 roll chord	200.00			200.00
4. Plastering of masonry works	- 1 load sand	1, 400.00	2, 800.00		1, 400.00
	- 5 bags cement	1, 400.00			1, 400.00
	- shovel				
	- pail				
	- cup				
	- chord				
5. Backfilling	- soil				
	- shovel				
	- sprinkler				
TOTAL			P 25, 610.00	P 11, 100.00	P 14, 510.00

Instructors/Trainers/Facilitators:

College of Engineering Faculty and Students

Budgets:

Items	SKSU	LGU Brgy. Kalawag II
Training Materials	11, 100.00	14, 510.00
Transportation	2, 000.00	
Communication/Certificates/Tarpaulin	1, 500.00
