UNIVERSITY STAKEHOLDERS

Dear Maam and Sirs,

Greetings of Peace and Prosperity!

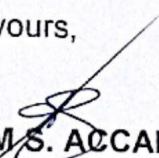

This communication pertains to the planned alignment of the Bachelor of Technical-Vocational Teacher Education (BTVTED) Curriculum with those of other state universities and colleges (SUCs) in Region XII. The primary goal of this alignment is to establish a common academic program, promoting ease of credit transfers for students swapping from one SUC to another and ensuring their earlier courses or subjects are duly credited.

As a significant partner of our university, we hereby invite you to actively participate in a virtual consultation this afternoon, April 11, 2024, at 2 PM before the Region XII meeting. Here is the link for your convenience: <https://meet.google.com/hjj-uimj-kpg>.

Your vital insights or mere concurrence will greatly aid the university's curriculum development and revision process.

We eagerly anticipate your positive response to this request.

Sincerely yours,

ABRAHAM S. ACCAD, PhD, DHum
Dean, College of Industrial Technology
