**ROMMEL M. LAGUMEN, PhD**  
Campus Director  
Isulan Campus

Sir:

Greetings of PRIZE!

As we prepare for the opening of classes for Academic Year 2025–2026, the College of Industrial Technology is implementing strategic adjustments in response to the growing number of students.

In line with these preparations, the Architectural Drafting professors respectfully seek your approval for the transfer of the Drawing Rooms from the old building to the **new InTech Building** beside the Carpentry Shop. This move will provide a more spacious and conducive learning environment—not only for Drafting students, but also for those in other majors.

We also kindly request assistance from the General Services Unit for the repair of chairs and tables, as well as the provision of necessary electrical supplies.

We look forward to your favorable response to this request.

Thank you, and more power!

Sincerely yours,

  
**LEMUEL P. BRAVANTE, MAT**  
Drafting Professor

  
Approved: **8-5/25**
