

NAME: \_\_\_\_\_ Yr&Sec: \_\_\_\_\_ SCORE: \_\_\_\_\_

**Multiple Choice**

**INSTRUCTION: Instructions:** Select and encircle the answer that is most accurate and complete. Some options may be partially correct, but there will be one that is the BEST answer. Two (2) points each.

1. How long is a Student Permit (SP) valid from the date it is issued?
  - a) 6 months
  - b) 1 year
  - c) 2 years
  - d) 5 years
2. Which government agency grants the authority to operate a motor vehicle as a student driver?
  - a) TESDA
  - b) MMDA
  - c) LTO
  - d) DPWH
3. What is the key difference between a Professional Driver's License (PDL) and a Non-Professional Driver's License (NPDL)?
  - a) PDL allows you to drive any vehicle, while NPDL is only for private vehicles.
  - b) PDL requires a driving course, while NPDL does not
  - c) PDL is for those hired to drive, while NPDL is for private vehicle use only.
  - d) PDL is valid for a longer period than NPDL
4. A driver with a license restriction requiring the use of corrective lenses:
  - a) Can drive any vehicle as long as they wear their glasses
  - b) Can drive only during daylight hours.
  - c) Must always have a spare pair of glasses in the car
  - d) Must drive with corrective lenses
5. A new driver is applying for a Non-Professional Driver's License (NPDL). Which DL Code/s can they apply for?
  - a) A, B, C
  - b) A, A1, B, B1
  - c) BE, C, CE
  - d) A, A1, B, B1 and B2
6. A driver's license has expired two years ago. To renew it, the driver needs to:
  - a) Only pay the renewal fee.
  - b) Take and pass the written examination and pay the corresponding penalty in addition to the basic fee
  - c) Submit an affidavit of loss
  - d) Attend a driving enhancement program.
7. According to the document, what is the primary goal of the Land Transportation Office (LTO) concerning driver's license applicants?
  - a) To collect fees and charges
  - b) To produce quality drivers and responsible motorists
  - c) To limit the number of licensed drivers on the road
  - d) To generate revenue for the government
8. What can be concluded from the demerit point system?
  - a) It is a reward system for good drivers.
  - b) It encourages drivers to obey traffic laws.
  - c) It is only applicable to public utility vehicle drivers
  - d) It does not affect a driver's ability to renew their license.
9. How would you evaluate the effectiveness of requiring a medical certificate for a driver's license application?
  - a) It is unnecessary and costly for applicants.
  - b) It helps ensure that drivers are physically and mentally fit to operate a vehicle
  - c) It is only useful for applicants with pre-existing medical conditions.
  - d) It is a source of revenue for medical clinics
10. How would you evaluate the rule that prohibits a driver with an Automatic Transmission (AT) Clutch Code from operating vehicles with Manual Transmission (MT)?
  - a) It is a fair rule that ensures drivers have the necessary skills.
  - b) It is unnecessary and limits driver's options
  - c) It is only applicable to professional drivers.
  - d) It is a way for the LTO to generate more revenue
11. The LTO wants to encourage more young people to apply for Student Permits (SP) and eventually become responsible drivers. Which innovative campaign slogan would be most effective in reaching this target audience?
  - a) "Student Permit: Your First Step to Driving Freedom!"
  - b) "LTO: Ensuring Safe Roads for Everyone"
  - c) "Get Your SP. Drive Legal, Drive Safe."
  - d) "Driving is a Privilege, Not a Right."
12. Imagine the LTO is launching a new online portal for driver's license renewals. What key features would you recommend to make the process user-friendly and efficient for all citizens, including those with limited tech experience?
  - a) A complex interface with many options
  - b) A simple, step-by-step guide with clear instructions and video tutorials
  - c) A portal that is only accessible during office hours
  - d) A portal that only accepts online payment
13. The LTO wants to improve public awareness of the different Driver's License (DL) codes and vehicle categories to reduce instances of drivers operating vehicles they are not licensed for. Design a creative social media campaign that effectively communicates this information to the public.
  - a) Post long articles about DL codes on the LTO website

factors should you analyze to determine your course of action?

- a) The passenger's urgency and the potential tip
- b) Traffic laws, safety, and the convenience of other passengers
- c) The weather conditions and the distance to the next loading zone
- d) The passenger's physical condition and the type of vehicle

58. You are involved in a minor road crash with another vehicle. Analyze the steps you should take to fulfill your responsibilities as a driver.

- a) Exchange insurance information and leave the scene immediately
- b) Admit fault regardless of the circumstances.
- c) Stop, ensure safety, exchange information, and report the incident if necessary
- d) Offer the other driver money to avoid involving the authorities

59. You are a driver of a school service vehicle. How do you apply your specific responsibilities to ensure the safety of your student passengers?

- a) Play loud music to keep the students entertained
- b) Allow students to stand if there are not enough seats
- c) Ensure all students are seated properly and check for any students left behind before leaving the vehicle
- d) Deviate from the authorized route to save time

60. You are driving a taxi and a passenger requests that you violate traffic rules to get them to their destination faster. How do you apply your duties as a driver in this situation?

- a) Comply with the passenger's request to ensure a good tip
- b) Explain that you cannot violate traffic laws and offer to take a different route
- c) Pretend to agree but continue driving according to traffic laws.
- d) Call the police and report the passenger.

61. You are a driver and are feeling unwell but need to drive. Evaluate whether you should drive or not.

- a) Drive anyway, but take a nap before you drive
- b) Assess your condition and drive only if you feel capable of operating the vehicle safely.
- c) Drive only if there is no other option.
- d) Drive only if you can take medicine.

62. You witness another driver behaving aggressively on the road. Evaluate the best course of action to ensure your safety and the safety of others.

- a) Engage in a confrontation with the aggressive driver
- b) Try to outmaneuver the aggressive driver
- c) Remain calm, avoid eye contact, and safely distance yourself from the aggressive driver.
- d) Call the aggressive driver and curse him.

63. The LTO aims to improve compliance with traffic laws by promoting a sense of personal responsibility among drivers. Which of the following strategies would be most innovative and effective in achieving this goal?

- a) Increasing the number of traffic enforcers on the roads
- b) Launching a social media campaign highlighting the negative consequences of traffic violations.

- c) Implementing a gamified app where drivers earn points and rewards for safe driving habits, promoting a sense of ownership and accountability
- d) Making traffic violation fines higher.

64. Imagine that the LTO wants to enhance the rights of drivers during traffic stops, while still ensuring law enforcement effectiveness. What innovative measure could be implemented to achieve this balance?

- a) Allow drivers to refuse to show their driver's license
- b) Require all traffic enforcers to wear body cameras during traffic stops, providing transparency and accountability
- c) Eliminate traffic stops altogether.
- d) Allow drivers to negotiate the amount of their traffic tickets

65. The LTO wants to create a program that effectively promotes the specific responsibilities of drivers of public utility vehicles (PUVs) to ensure passenger safety and comfort. Which approach would be most innovative?

- a) Distributing pamphlets about PUV driver responsibilities.
- b) Requiring PUV drivers to attend a one-time seminar on passenger safety.
- c) Creating a mentorship program where experienced and exemplary PUV drivers guide and train new drivers on best practices for passenger safety and courtesy.
- d) Increasing the frequency of PUV inspections.
