PASUC ADVISORY NO. 120, s. 2020

For : All SUC Presidents/Heads

From : Dr. Tirso A. Ronquillo
President

Subject : **FINANCIAL ASSISTANCE TO SUCs SEVERELY AFFECTED BY
TYPHOON ULYSSES**

Date : November 16, 2020

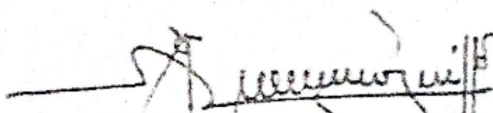

In the middle of the COVID-19 pandemic, on November 11-13 or less than two weeks after Super Typhoon Rolly pounded certain parts of the Philippines with destructive winds and intense rains, Typhoon Ulysses caused widespread flooding and significant damage to life, properties and infrastructure in many regions of Luzon.

We are truly disheartened of these natural but disastrous events. PASUC is one with the SUCs in these regions, specifically SUCs in NCR, Region 2 and Region 3, as they assess the situation and recover from this challenging time.

Relative to this, we appeal to other SUCs to extend any voluntary financial assistance for our member SUCs severely affected by Typhoon Ulysses. The amount collected will be distributed to affected SUCs according to the severity of the reported damage.

In view of the above, kindly send your financial assistance thru PASUC Account No. 0572-1052-96, Landbank - East Avenue branch and email the deposit slip to pasuoffice@gmail.com for proper accounting and monitoring. Please coordinate with the PASUC Secretariat c/o Ms. Delia Sauler thru 09285205634 for further inquiries.

Our usual unity in times of need is enjoined. Your immediate attention to this matter will be highly appreciated.

For : All SUC Presidents/Heads

From : Dr. Tirso A. Ronquillo
President

Subject : **ASSESSMENT OF DAMAGES CAUSED BY SEVERAL TYPHOONS
TO AFFECTED SUCs**

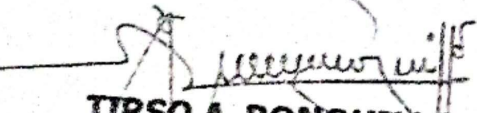

Date : November 14, 2020

PASUC is one with all the affected communities in various regions, as they endure and recover from the impact of the several typhoons that hit our nation. We issued Advisory No. 112 to appeal from other SUCs to extend any voluntary financial assistance to aid our affected SUC community.

Relative to this, we would like to request a rapid assessment on the extent of damages brought by the recent typhoons, particularly Tropical Cyclones Rolly, Quinta and Ulysses, in the campus/es of affected SUCs. Kindly indicate the scope and the budget necessary for the restoration of the damaged infrastructure for possible representation of the same to different funding agencies whether government or private.

In view hereof, for those SUCs who are severely affected by these typhoons, kindly email to PASUC thru pasucoffice@gmail.com all relevant information pertaining to this request, the soonest time possible.

Let us continue to pray for the health, safety and welfare of all individuals greatly affected by this catastrophic events.
