GILDO G. MOSQUEDA

Tacurong Schools Division Superintendent
Tacurong City, Sultan Kudarat

Thru: School Principal

Sir:

Greetings of peace and prosperity!

The Sultan Kudarat State University – College of Industrial Technology respectfully seeks your approval to conduct a series of Career Guidance Programs in selected schools within the Tacurong Division on February 26-28, 2025.

This initiative aims to provide students with informed choices about career paths in industrial technology and related fields. Enhance awareness of the academic programs and opportunities available at the College of Industrial Technology. Encourage skills development aligned with industry needs, contributing to future employment and economic growth.

The career guidance activities will also serve as a platform to:

- Bridge the gap between secondary education and higher education in technical and industrial fields.
- Assist students in aligning their interests and skills with future career opportunities.
- Strengthen the university's outreach efforts and foster partnerships with secondary schools.

VISION: A leading University in advancing scholarly innovation, multi-cultural convergence, and responsive public service in a borderless Region | **MISSION:** The University shall primarily provide advanced instruction and professional training in science and technology, agriculture, fisheries, education and other relevant fields of study. It shall also undertake research and extension services, and provide progressive leadership in its areas of specialization. | **MAXIM:** Generator of Solutions
CORE VALUES: Patriotism, Respect, Integrity, Zeal, Excellence in Public Service

We believe this program will not only benefit the students in making informed decisions about their future but will also contribute to the continuous growth of the College of Industrial Technology by attracting aspiring students who are inclined toward technical and vocational education.

We kindly request your approval to proceed with this initiative and look forward to your support in shaping the future of our students.

Thank you very much for your time and consideration. Should you require any further details, please feel free to contact me.

Sincerely,

RANDY T. BERINA, MAT
Dean, College of Industrial Technology
