Regional Director
Commission on Higher Education Regional Office XII
Regional Center, Brgy. Carpenter Hill, AH26, Marbel, Timog Cotabato

Sir:

Greetings!

We are pleased to submit herewith the Compliance Report for the Bachelor of Industrial Technology major in Food Innovation and Culinary Technology (BlndTech-FICT) program, in response to the findings and recommendations of the Regional Quality Assessment Team (RQAT) of CHED Regional Office XII during their evaluation on August 20, 2024. The revised curriculum is scheduled for implementation effective the First Semester of the Academic Year 2025–2026.

In this regard, we respectfully request the issuance of the Certificate of Program Compliance (COPC). Should you require any additional information or clarification, please feel free to contact us at your convenience.

Thank you very much for your attention and continued support.

Sincerely,

SAMSON L. MOLA, EdD

COMPLIANCE REPORT

BACHELOR OF INDUSTRIAL TECHNOLOGY MAJOR IN FOOD INNOVATION AND CULINARY TECHNOLOGY (CMO No. 13 series of 2023)

AREAS OF EVALUATION/FINDINGS	CHED REMARKS AND SUGGESTIONS	Degree of Compliance	REMARKS
Legal Basis: No board resolution to offer the major/program. The institution must be clear on its direction on what, why and how to offer the program. Board resolution to offer the BlindTech major in Food Innovation and Culinary Technology play a critical role in governance and organization integrity.	As such, the institution should ensure that all program offerings should have appropriate approval coming from the Board.	100%	In full compliance with CHED's requirement for legal documentation and governance integrity, the institution has secured the necessary Board Resolutions to formalize the offering of the Bachelor in Industrial Technology major in Food Innovation and Culinary Technology (FICT). Specifically, Board Resolution No. 24 approves the change of nomenclature from Bachelor of Science in Industrial Technology to Bachelor in Industrial Technology major in FICT, establishing the institution's clear direction and intent for the program. Additionally, Board Resolution No. 25 authorizes the revision and implementation of the new curriculum aligned with the said program. These resolutions demonstrate the university's commitment to ensuring that all program offerings are properly vetted and approved through institutional governance, thereby upholding academic integrity and compliance with CHED policies.
A. Administration Program Chair: Charlie J. Maghanoy BS Home Economics-Western Philippines University 2006	Program chair must have academic qualifications and experience relative to culinary. These qualifications ensure that the program chair can effectively	100%	Engr. Glenn Talua is the Program Chairperson of the Bachelor in Industrial Technology (BlindTech) program, which encompasses the following major fields:
