

OFFICE OF THE COLLEGE DEAN

INDUSTRIAL TECHNOLOGY

SKSU_ISU_CIT_MEMO No. 18 2025

To : ALL FACULTY
From : CHARLIE J. MAGHANOY, Ed.D.
Dean, College of industrial technology
Subject : PRE-SERVICE TEACHERS ASSIGNMENT
Date : APRIL 21, 2025

The College of Industrial Technology is pleased to inform you that the remaining nine (9) weeks of our pre-service teachers' Practice Teaching Program for the Bachelor of Technical-Vocational Teacher Education (BTVTED) will be conducted on our campus.

In this regard, we respectfully request your support in allowing our BTVTED pre-service teachers to be deployed under the supervision of **different cooperating teachers and resource teachers**. This arrangement is intended to expose them to a variety of teaching strategies, classroom settings, and technical-vocational instruction approaches that will contribute to their holistic development as future educators.

We trust that this experience will be mutually beneficial and that, with your guidance, our pre-service teachers will gain valuable insights and skills aligned with the goals of the practice teaching program.

Attached herewith is the list of pre-service teacher assignments.

Thank you very much for your continued partnership and support in the training of future technical-vocational education teachers. We look forward to your favorable response and a successful practicum collaboration.

For your information and guidance and action.

VISION: A leading University in advancing scholarly innovation, multi-cultural convergence, and responsive public service in a borderless Region | MISSION: The University shall primarily provide advanced instruction and professional training in science and technology, agriculture, fisheries, education and other relevant fields of study. It shall also undertake research and extension services, and provide progressive leadership in its areas of specialization | MAXIM: Generator of Solutions | CORE VALUES: Patriotism, Respect, Integrity, Zeal, Excellence in Public Service.
