Areas/Venue : SELECTED SENIOR HIGH SCHOOLS  
WITHIN SULTAN KUDARAT AND SOUTH  
COTABATO

Duration : 3 DAYS

Covering Date : FEBRUARY 2025

Source of Fund : Fund 164

Budget : 39,614.2

### II. RATIONALE

The Career Guidance Program is conducted to help Grade 12 graduating students make informed decisions about their higher education and future careers. As they transition from senior high school to college, many students face challenges in choosing the right academic path that aligns with their interests, skills, and career aspirations. This program serves as a platform to provide them with essential information, guidance, and inspiration to pursue careers in fields that match industry demands.

Specifically, the program aims to introduce students to the College of Industrial

skills and technical expertise in today's job market. With industries continuously evolving and requiring a highly skilled workforce, it is crucial to encourage students to consider career paths that provide both academic knowledge and hands-on experience.

By conducting this career guidance initiative, students will gain a **clearer understanding of the opportunities available in the field of Industrial Technology**, including career prospects, industry trends, and potential career pathways. Additionally, it will help them recognize the advantages of enrolling in CIT, where they can develop both theoretical foundations and practical skills essential for success in various technical and industrial professions.

### **III. OBJECTIVES**

1. To inform the feeder schools and prospective enrollees about the Vision, Mission, Goals and Objectives of the University, Course Offerings, admission Tests, Admission Requirements, and Best Practices of the University.
2. Introduce students to the **College of Industrial Technology's** curriculum, state-of-the-art facilities, faculty expertise, and strong industry linkages to encourage enrollment.
3. Offer guidance on different career options within Industrial Technology, featuring success stories from CIT graduates and industry professionals to inspire students.
4. To encourage students to be part of SKSU.

### **IV. METHODOLOGY**

The career guidance information drive will be spearheaded by the major faculty members of the College of Industrial Technology together with the Dean and the program chairpersons.

### **V. EXPECTED OUTPUT**

1. Grade 12 students will develop a stronger appreciation and enthusiasm for pursuing a degree in the **College of Industrial Technology (CIT)**.
2. A significant number of participating students will express intent to enroll in CIT, recognizing its relevance to their career aspirations and industry demands.
3. Majority of the Grade 12 students will take the SKSU TPT and enroll in the College of Industrial Technology this S.Y. 2025-2026.
