Sir:

The Sultan Kudarat Polytechnic State College has various programs on rural and community development as one of its four-fold functions. One of these programs is the Adopt a Barangay and Adopt a School Program.

Based on the criteria stipulated in the college extension services, one of the barangays under your jurisdiction named **BARANGAY KALAWAG II** has unanimously chosen to be an Adopted Barangay of SKPSC-Isulan Campus. This Barangay has been adopted by the campus since fiscal year 2003 and received benefits from the college extension programs but proper documentation was not been completed.

Attached herewith is the Memorandum of Agreement for your consideration and approval.

It is our heartfelt hope that the local government unit and the college will be working hand-in hand for the development of the target community.

Thank you very much and more power to you.

Very respectfully yours,
